OLD SHERWOOD IS WINNER

J. W. HEDRICK'S VETERAN CAMPAIGNER VIC-TOR IN PHILADELPHIA HANDICAP

Biggest Crowd of the Season Visits Havre de Grace Track and Is Treated to Sport of Highly Interesting Character.

Havre de Grace, Md., May 2.—The Philadelphia Handicap, today's feature race at Havre de Grace, brought out the best field of sprinters that has gone to the post during the meeting and incidentally furnished a stirring contest. J. W. Hedrick's old campaigner, Sherwood, was the winner. He beat the Belmont colt, Flittergold, by a length and a half. The race was worth over \$1,700 net to the winner. Flittergold started out like a winner by setting a fast pace and racing the speedy Trider into submission. In the stretch the Belmont three-year-old weakened and Sherwood, coming from behind and finishing gamely, disposed of his opposition in the final furlong. Bard of Hope, which finished third, pulled up lame as a result of having been kicked while at the post.

The attendance was the largest of the meeting. A tremendous crowd came from Philadelphia to witness the sport. There were also two special trains from Baltimore.

Starter James Milton, whose work with the flag during the present meeting has been good, has been engaged to do the starting for both of the meetings to be given by the Dorval Park Jockey Club.

Starter James Milton, whose work with the flag during the present meeting has been good, has been engaged to do the starting for both of the meetings to be given by the Dorval Park Jockey Club.

Selling race activities were renewed this aftermoon after a lapse of a few days, when Wayne Joplin's Sonny Boy, winner of the fifth race was bid up \$400 over his entered price of \$800 by C. C. Smithson. He was bid in.

George Odom arrived today from Sheepshead Bay and was a visitor at the track. The horses of the Brookside stable, which Odom has in his care, were shipped direct to Pimilico, where they arrived in first class condition. His string is mostly made up of two-year-olds, the get of Celt, and they are a fine looking lot.

W. R. Norvell has been appointed racing secretary of the Marlboro meeting in June. George Miller will serve as starter.

J. L. Holland has sold the two-year-old Helic to J. L. Phillips.

Albert Robrbach, manager of the Connaught Park track at Ottawa, Can., was a visitor here this afternoon. He looks for a good season of sport a completed and that seventy stalls have been added to the plant, while considerable landscape gardening has been done. Mike Gorman is there already with a string of horses and they have been working right along over the track.

Among the work-outs this morning were:

Applauder—Three-quarters in 1:19%.

Espekhere—Five-eighths in 1:02,

Eagle—Half mile in 48.

Erfend—Three-quarters in 1:15%.

One of the most remarkable race meetings in the world is that at Onkaparinga, South Australia. It is held only one day a year, on Easter Monday, but the prize money amounts to nearly twenty thousand dollars. It is a pari-mutuel meeting.

Tom Shaw, who will have the betting privileges at Marlboro, will administer affairs in an up-to-date fashion. A new betting ring will be built. It is an improvement which the track has long needed. A new judges' stand also will be built. Immediately upon the close of the coming meeting a force of men will be put at work on the track to convert it into a mile course, so that a meeting may be given next fall under Jockey Club auspices.

The Haven de Grace meeting is now mere than may be given next fall under Jockey Club auspices. The Havre de Grace meeting is now more than half over, and the wise fellows are complaining bitterly that they have never been up against such a disastrous spring meeting as the present. It does not look as if there was much relief in sight. There is still a big bunch of horses whose form is undisclosed. By the time that Pimlico is renched something will be known of the form of the horses. But here again more new ones will be entering the field, and it looks as if the whole spring will be a rocky period for the talent.—Baltimore News.

ANSWERS TO QUERIES.

TWENTY LEADING AMERICAN SIRES OF 1914

Thanks to the success of his sons and daughters during the winter meeting at Juarez, J. W. Fuller's Martagon stallion, Marchmont II., is at this time leading the sires of the country in respect of amount won by their progeny since the beginning of the present year. It is to be expected, however, that such distinction will be his for only a brief period longer, for summer racing is bringing into action worthy representatives of other sires that are already pressing him closely for the lead, while his money-winners of the carly part of the year are now in temporary retrement. Cunard is at present in second place and Star Shoot, the leading stallion of 1912, is a close third. As a matter of fact, only insignificant amounts separate the three sires named The figures that follow are for the four months of this year ending with April 30 and show the leading twenty sires of North America for that period: Mazagan, b. h. (1896), by Martagon-Maize.

BRONZEWING A GOOD FILLY

FOLLOWS UP HER ASHLAND OAKS VICTORY BY WINNING BLUE GRASS STAKES.

Runs Mile and an Eighth in Time That Closely Approaches Governor Gray's Track Record of 1:511/5-Day's Results Formful.

Approaches Governo Gray's Track Record of

1:51½—Day's Results Formful.

Lexington, Ky. May 2.—Bronzewing, the fast and game Stalwart filly belonging to Alex P. Humphrey, Jr., of Louisville, today followed up her victory of last Monday in the Ashland Oaks by winning the Blue Grass Stakes, one mile and an eighth, in 1:51½, which is only three-fifths of a second slower than the track record, established by Governor Gray in the race for the same stake in 1911. Bronzewing ruled a slight favorite over Old Ben, with Surprising also coming in for much attention. The Surprising also coming in for much attention. The Surprising training her into forward contention in the first quarter. She displaced the fast going John Gund before rounding into the stretch, but her early effort caused her to weaken near the end and John Gund almost nipped her out. The latter appeared done for in the last furlong, but came again with a rush. Surprising tred badly after going three quarters and fell an easy victim to Old Ben's rush for third place.

Odd Ben's rush for third place, one judges, expressed the opinion that Bronzewing, notwithstanding the penalty she incurred today, will be one of the contenders in the race for the Kentucky Derby at Churchill Downs and John Gund is also given an excellent chance.

R. F. Carman said after Surprising had worked out the mile and a quarter in 2:08; "I lawe not given up my expectation of winning the Kentucky Derby. Surprising does not like the full three is no hill in the Churchill Downs course." Surprising will be shipped to Louisville tomorrow.

The Derby talk shifted somewhat, however, when charles S. Wilson's Ivan Gardner worked out a mile and a quarter in 2:06, after having finished a fast-coming second to Dr. Samuel, from W. J. Young's barn, which won the handleap at one mile and a streenth in 1:45%, equaling the track work of the property of the prop

The ideal conditions, coupled with the good racing offered, attracted many from adjacent points. Speculation was the heaviest in the history of the mutuel system here.

Constant, a maiden eligible to the Kentucky Derby, was given an impressive mile and an eighth work-out this morning in 1:53.

Gov. J. B. McCreary witnessed the Blue Grass Stakes from the judges' stand as the guest of the stewards. He expressed great delight over the thrilling contest and rousing finish. Governor McCreary will be at Churchill Downs to witness the running of the Kentucky Derby.

A filly bred for speed if ever one was, Lady Josephine, by Sundridge—Americus Girl, made a successful debut in the Tattenham Plate at Epsom, April 21, and running its five-eighths straight in 55% defeated fourteen well-tried opponents like a high-class filly. She was bought at the Doncaster yearling sale last year by W. M. Savill for \$8,840. Her dam, Lady Americus, is a daughter of the fast horse Rey del Caredes, which was taken from this country to England by Richard Croker and there renamed Americus.

country to England by Richard Croker and there renamed Americus.

The Tetrarch's stable companion, Roseland, gave a stylish performance in the Fitzwilliam Stakes at Newmarket April 15. Eighteen trooped out, and the Osmaston Plate winner, Sandmole, shared favoritism with one of R. Day's supposed good things, Orbost, but they were both unplaced. Mr. Basset's son of William the Third stayed best, and won from Lord Rosebery's unamed daughter of Valve and the Nottingham winner, Ciceromar. Roseland holds a large number of engagements and is brother to the good colt Roseworthy.

Besides winning the Craven Stakes on Kennymore at the Newmarket Craven meeting, Frank O'Neill had one other mount, riding Lord Cadogan's October, an American-bred colt by Rock Sand—Octoroon, in the fifty-fourth Newmarket Biennial, and this proved the most thrilling race of the meeting, thanks to O'Neill's superb jockeyship, October just wresting the verdlet from L. Winans' Duke of York, another American-bred horse, by a short head, with October carry 120 pounds to '112 on Duke of York. The latter is a half brother to King James.

The Publizitiche Arbeitin states that two million persons in Germany are concerned in betting on

to \$6,250,000.

Speaking of training operations at Newmarket, April 15, London Sportsman said: "The Balaton House string was on the New Ground, where Joyner gave Warlingham a lively stretch over a mile and three-quarters by himself. The old fellow went well, and is expected to render a good account of himself in the future. Harmonicon, which has grown all the right way and is now a grandlooking horse of beautiful quality, covered a mile and a quarter at a useful pace with Sandman, Slumber, and Santa Bellis, and Panasine was slipping along over five furlongs with Crinoline.?

The Italian Derby Reale of \$10,000 at 1 1-2 miles, which was run for at Rome on April 16, resulted in a thrilling finish between the representatives of "Sir Rholand" (Chev Scheibler) and Signor M. F. Tesio, victory going to the colors of the latter by the aid of Fausta. The winner, which is by Spearmint out of that once great race mare, Madree, was ridden by Langham, and she won by a head from Sir Rholand's colt. Chumvi, with Blackburn up, in the good time of 2:33%. Two lengths away II Falco (Ryan) was third, with Prometeo (Davis) fourth. The other runners were Eraclio, Orco, Austerlitz, and Avanguardia.

FILLIES IN THE KENTUCKY DERBY.

Louisville, Ky., May 2.—Although the Kentucky Derby, to be decided next Saturday at Churchill Jowns, has been run annually for forty years, it never has been won by a filly. Among the forty seven entries for this year's renewal of the Derby tre ten fillies, embracing Casuarina, owned by J. N. Jamden, the Woodford County member of the Kenucky State Racing Commission; Stake and Capucky State Racing Commission; Stake and Capucky State Racing Commission; On New York, Watermelon, owned by J. E. Madden, of Hamburg-Place, Lexington; Robinetta, owned by James MacManus of California; Addie M., owned by J. W. May, of Charleston, S. C.; Bronzewing and Adjette, owned by A. P. Humphrey, Jr., of Jouisville; Frances M., owned by J. W. May, of consistille; Frances M., owned by J. W. May, of Lexington; Tavolara, belonging to George Starr, also of Lexington, and Christophine, the holder of the American mile record of 136%, owned by S. Veiller, a Californian who is regarded by horsemen so one of the luckiest of present-day turfmen. All of these fillies are in actual training now and unjoubtedly several of them will go to the post for the Derby.

The latter is a half brother to King James.

The Publizitiche Arbeitin states that two million persons in Germany are concerned in betting on racing. Of these two million, spread over 614 towns, 6,050 bookmakers have to be reckoned. There are also 210,000 provincial betting agents and tipsters, and it is calculated that between \$150,000,000.

In 1912 the revenue from the tax on betting amounted to \$3,125,000. In consequence of the proposed duty on bookmakers, the tax will in future dedouble, and the revenue is expected to amount to \$6,250,000.

Speaking of training operations at Newmarket, April 15, London Sportsman said: "The Balaton House string was on the New Ground, where Joyner gave Warlingham a lively stretch over a mile and three-quarters by himself. Bronzewing is trained by Dan Lehan, who acquired his first knowledge of horses watching great Irish thoroughbreds on the Curragh of Kildare. He came into prominence on the Kentucky tracks in training the speedy sprinter, Casey Jones, and converting the selling plater, Sir Catesby, into a Latonia Cup winner.

COL. STOREY'S AMERICAN BREAD WINNERS.

While the First October meeting was in progress at Newmarket in 1908 James R. Keene sold a number of Castleton-bred yearlings at auction through the agency of Messrs. Tattersall. One of these, a bay colt by Voter—Ambrosine, was bought by Col. W. F. Storey for \$500. Appropriately he was named Election and up to last year was the mainstay of Col. Storey's small and not overly successful stable. Last year, the old horse falled to win, but each year previously was a good winner, such an important event as the Ebor Handicap at York being one of the number of good taces landed by him for his owner. Since one American horse had done so well for him Col. Storey was moved to go farther in the same line and when H. T. Oxnard's consignment of yearlings was sold at Newmarket in 1912 invested \$575 in a bay colt by the Futurity winner, Ormondale—Futurita. This colt was named The Forest and seems likely to prove fully as serviceable as Election did. As a two-year-old last year he won the Thirty-Eighth Two-Year-Old Sale Stakes at the Newmarket Second July meeting. This was of the net value of \$1.550, so the colt more than paid for himself right there. This year he has shown decided evidence of being a worthy successor to old Election by winning the Rugeley Plate at Birmingham April 14, distance a mile and a half, and followed this by winning the Fifty-Fifth Sale Stakes for three-year-olds over the Rowley mile at the recent Newmarket Craven meeting. Thus he has won two Sales Stakes, these being events open only to horses bought at public auction, and as he won both races in a canter, may be able to vanquish better horses than he has yet met.

WATERMELON WORKS WELL FOR DERBY.

J. E. Madden's Filly Goes Mile and a Quarter in 2:081/2 at Churchill Downs.

Louisville, Ky., May 2.—Watermelon did the best Derby work at Churchill Downs today. This good-locking daughter of Watercress went a mile and a quarter, the Derby distance, in 2:08%. She went the first eighth in 11%, the quarter in 23%, the half in 48%, dive-eighths in 1:00%, three-quarters in 1:14%, seven-eighths in 1:27%, the mile in 1:41% and mile and an eighth in 1:54%. She worked the last mile in 1:44%.

Schorr's three eligibles to the Kentucky Handicap were breezed a slow mile, Froglegs went the distance in 1:56%, Hamilton in 1:56%, and Star Charter in 2:02. All of these cracks are now apparently training soundly. Other work cats at this course were:

at the Darnen farm there during the spring and summer.

Great Britain, one of the star four-year-olds engaged in the rich Kentucky Handieap this spring, was measured recently by trainer John Walters and he just lacks a shade of standing sixteen hands high. He is this spring even more heavy in body than he was last season, but his muscles stand out and it looks as if he will come to hand at his best much earlier than in either his two or three-year-old season.

Jockey Jost, who in 1911 rode twelve winners out of seventy-three mounts, is now exercising horses here and will apply to the racing commission for a Heense to accept mounts on the Kentucky tracks, He has not ridden since 1912.

and remember, they were sent to clients absolutely free. Only one short-priced horse out of the entire five advised. Don't you realize now what it means to follow the right money. Now listen, I have a surprise for you.

Thursday, May 7, at Pimlico,

I will be in a position to tell you all about a real killing. The stable I have reference to will clean up with one of the sweetest things ever put over at a race track. The trainer, who is considered one of the shrewdest in the east, has this horse primed for a killing at a good price. The operator, who I am connected with, told me it should net him a fortune. We expect the odds to be good. You can't afford to miss it. Remember, you pay after the race—if I make good. You send me the profits of \$5 if horse wins at 4 to 1 or better; nothing if less than 4 to 1. I take all the chance. Get ready, let me show you how to make some money. Write today. It'I have your name don't write again. All honest players will get Thursday's sleeper. Address at once
